

Your access to South Africa's largest WIFI network featuring over 600 hotspots starts here.

Follow these simple steps to get connected in less than 5 minutes.

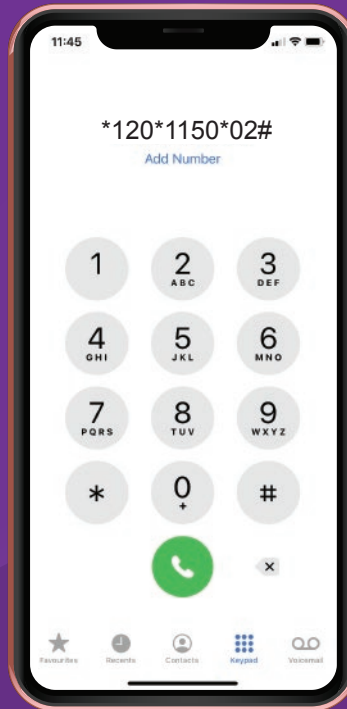

AlwaysOn

1

Valid members can dial the following number:

***120*1150*02#**

Follow the on-screen prompts to request a username and password.

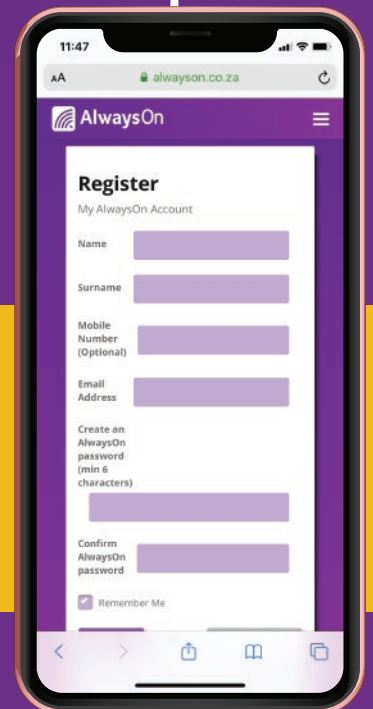

2

Visit

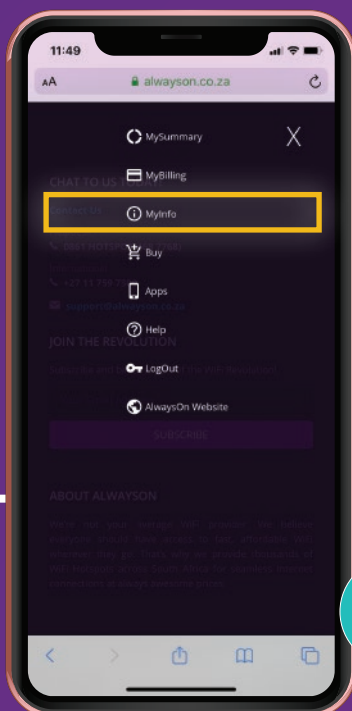

www.alwayson.co.za
and register an account.

If you already have an AlwaysOn account, you can simply log in using your existing username & password.

3

Once registered and logged in, click on the "MyInfo" option in the main menu.

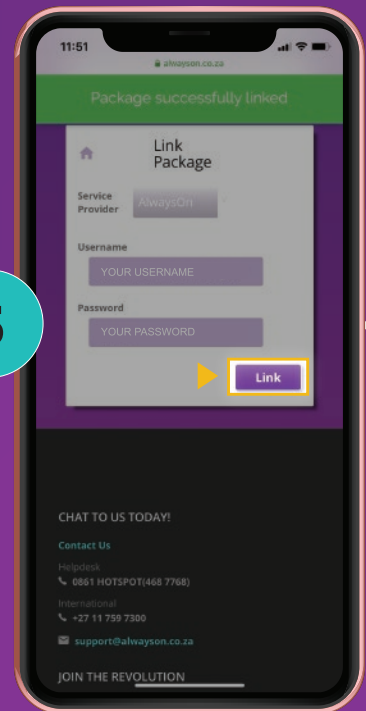

AlwaysOn

4

On the Link Package section, please select **AlwaysOn Corporate Access** from the Service provider dropdown.

5

After entering the username and password you generated via the USSD site, please click on **"Link"**. A notification will pop-up and show: **"Package successfully linked"**.

Your account has now been successful linked and you will not need to do this again to enjoy your benefit

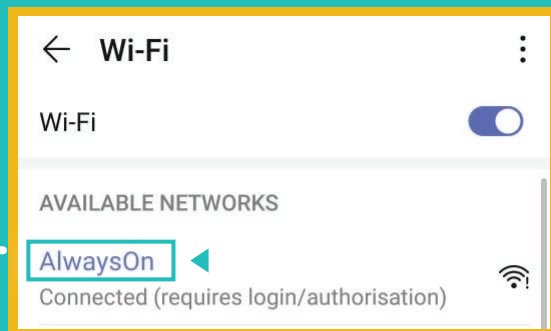

Once your account is successfully linked this is how you access the internet

CONNECTION SUCCESSFUL

Your email confirmation will be sent.

To start browsing, click on the **"Browse the internet"** button

7

6

Connect to the **"AlwaysOn"** wifi network before continuing and log in with your AlwaysOn username and password

The hotspot will only be called the **"AlwaysOn"** and include no other names

**NOW ALL THE HARD WORK IS DONE
YOU CAN START ENJOYING YOUR 5GB'S
OF UNRESTRICTED INTERNET ACCESS.**

WHEN YOU NEED YOUR NEXT 5GB OF DATA, GET A NEW USERNAME AND PASSWORD BY DIALLING *120*1150*02#.

Remember that your account will remain linked and you won't need to complete the linking process again.
